## THE UNITED REPUBLIC OF TANZANIA

No. 6 OF 1977

I ASSENT,

  
President

22nd June, 1977

**An Act to make provision to restrict the management of private hospitals to approved organizations, to control fees and other charges payable in respect of medical treatment and other services rendered by private hospitals, to regulate scales of emoluments payable to medical Practitioners employed at private hospitals, and to make other provisions connected with those matters**

[\_\_\_\_\_]

ENACTED by the Parliament of the United Republic of Tanzania.

**PART I**  
PRELIMINARY

**1.** This Act may be cited as the Private Hospitals (Regulation) Act, 1977 and shall, subject to the provisions of subsection (1) of section 2, come into operation on such date as the Minister may, by notice published in the *Gazette*, appoint.

Short title  
and  
commencement

**2.-(1)** Subject to the provisions of subsection (2), this Act shall apply to all private hospitals and also in relation to all persons concerned with the management of private hospitals, whether as owners or employees of the private hospitals:

Application of  
this Act and  
exemptions

Provided that in the case of a private hospital which is in existence on the date of the enactment of this Act, the provisions of this Act shall not apply in relation to that hospital until the Minister has, by notice in the *Gazette*, specified the hospital and the date from which the provisions of this Act shall apply in relation to that hospital.

**'(2)** The Minister may, if in his opinion it is in the public interest to do so, by notice published in 'the *Gazette*, exempt from all or

any of the provisions of this Act either absolutely or subject to such conditions as he may think fit any private hospital or any person.

(3) Notwithstanding any provision contained in this Act to the contrary, a medical practitioner shall not be deemed to be in contravention of any requirement prescribed by or under this Act in respect of any thing done by him anywhere for the purpose of rendering medical treatment, free of charge, to any person-

- (a) in an emergency situation; or
- (b) who is a member of his household or under his control.

**Interpretation** 3.(I) In this Act, unless the context otherwise requires-

"approved organization" means an organization approved by the Minister under section 6 to manage a private hospital in accordance with the provisions of this Act;

"hospital" means any institution for the reception and medical treatment of persons who are injured, infirm or suffering from illness, and includes a dispensary, maternity home, clinic (whether mobile or not) and also any place or premises used for purposes of medical treatment, whether regularly or periodically;

"medical officer" means a medical practitioner in the employment of the Government;

"medical practitioner" means a person for the time being authorized to practise the medical profession by virtue of his being registered or licensed under the provisions of the Medical Practitioners and Dentists Ordinance;

"medical treatment" includes dentistry, surgery, obstetrics, nursing, the administration of medicine, health counselling and the provision of any other service or the supply of any goods in connection with any of the matters specified in this definition, but does not include veterinary surgery;

"Minister" means the Minister for the time being responsible for matters relating to medical and health services;

"organization" includes any society, association or other body of persons, whether or not incorporated under any written law, and also a person recognized as a corporation sole under the law for the time being in force relating to corporations;

"private hospital" means any hospital other than a public hospital;

"public hospital" means any hospital which is within any one of the following descriptions-

- (a) a hospital owned by Chama Cha Mapinduzi or any organization affiliated to Chama Cha Mapinduzi;
- (b) a hospital owned by the Government;
- (c) a hospital owned by any corporation or company which is owned by the Government, other alone or jointly with any person or organization, or which is owned by any subsidiary of any corporation or company of that description;

- (d) a hospital owned by any organization, the management of which is wholly or partly financed or materially aided from the public revenue;
- (e) a hospital owned by any corporation or institution within the East African Community or owned by any other international organization of which the United Republic is a member;
- (f) any other hospital which the Minister may, by notice published in the Gazette, declare to be a public hospital for the purposes of this Act.

(2) For the purpose of enabling members of the public to distinguish between private hospitals of approved organizations and public hospitals the Minister may give directions in writing requiring all private hospitals to be identified by such means as he may prescribe in the directions and every approved organization concerned shall comply with those directions.

(3) In the interpretation or application of the provisions of this Act the following rules shall apply

- (a) a person shall be deemed to manage a private hospital if, for himself or on behalf of any other person, he actually renders or holds himself out as ready and willing to render medical treatment on payment to any person attending the hospital;
- (b) medical treatment shall be deemed to have been rendered to a person at a private hospital irrespective of whether the treatment is rendered to him alone or jointly with other persons at a time and whether it is rendered to him on one or more occasions;
- (c) where two, or more places or sets of premises, whether comprised in one or more rights of occupancies, are used collectively as a single unit for purposes of a private hospital, there shall be deemed to be one hospital and references to "hospital" shall be construed accordingly.

**18.-**(1) Every person in charge of a private hospital which renders to any person medical treatment in respect of which a maximum price has been fixed under this Act and for which a price is paid or is to be paid shall, as, soon as, possible after the treatment is rendered, supply to, the, person, a receipt or an invoice describing the type of treatment rendered and showing, the price which has been or is, to be paid for the treatment.

issue of  
receipts

(2) Every person who issues a receipt or an invoice under this section shall retain in the records of the private hospital a duplicate copy of the receipt or invoice.

(3.) Any person in charge of any private hospital who fails to comply with the provisions of subsection (1) or of subsection (2) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding five thousand shillings or to imprisonment for a term not exceeding twelve months or to both that fine and imprisonment.

**PART V****REGULATION OF SCALES OF EMOLUMENTS PAYABLE TO MEDICAL PRACTITIONERS EMPLOYED AT PRIVATE HOSPITALS**

Regulation of scales of salaries of medical practitioners

**19.-**(1) Whenever the Minister is of the opinion that it is in the public interest that the scales of emoluments payable to medical practitioners employed at private hospitals should be controlled or that the scales of emoluments be reviewed, he may determine or review the scales of emoluments in accordance with the provisions of this Act.

(2) In the exercise of the power conferred upon him by subsection (1) the Minister shall have power to fix the maximum scale of basic salaries or wages or remuneration as well as allowances and other benefits (in this Act referred to collectively as "salaries") payable or accruing to medical practitioners generally or medical practitioners of any particular category in respect of services rendered under a contract of service or an agreement or an other arrangement.

(3) In determining maximum salaries the Minister shall have regard to-

- (a) differences in basic qualifications, experience and levels of skill and responsibility among medical practitioners of any particular specialization or between medical practitioners of different branches of the medical profession;
- (b) the need to maintain (the highest standards of efficiency in the practise of the medical profession;
- (c) the need to maintain and expand the level of employment of medical practitioners at private hospitals;
- (d) the need to maintain a fair relation between the incomes of different sectors of the community.

(4) In the exercise of his powers under this section the Minister shall have power-

- (a) to receive and review applications for the determination and, subject to section 20 (3)1, variation of maximum salaries;
- (b) to receive and review applications or representations in respect of salaries of medical practitioners from any organization or from any public authority;
- (c) to refer to any public authority any matter relating to salaries of medical practitioners for the purpose of obtaining advice on the matter;
- (d) notwithstanding any written law to the contrary, secure access to relevant data concerning the payment of salaries of medical practitioners from any person or organization or from any public authority.

(5) The Minister may, by notice in writing, require any approved organization responsible for the management of any private hospital to submit to him, within such period as he may specify in the notice—

- (a) particulars relating to scales of salaries applicable to medical practitioners employed at any private hospital managed by the organization;
- (b) particulars of sums of money which it is expected the organization will receive during the current financial year of the organization and the sources from which the sums of money are expected;
- (c) particulars of the estimated expenditures of the organization during the current financial year of the organization.

(6) On receipt of the particulars specified in subsection (5) the Minister may approve without amendment the scales of salaries submitted by the organization or he may, if in his opinion it is in the public interest to do so, by order in writing under his hand require the organization to vary its scales of salaries to conform to, maximum limits prescribed in the order within such period as the Minister may specify in the order (and the organization shall comply with the requirement).

(7) Every scale of salary the maximum of which has been fixed by the Minister under subsection (2) or the maximum of which has been approved or determined in accordance with an order of the Minister pursuant to subsection (6) shall be known as the "statutory maximum salary" and shall be enforced in accordance with the provisions of this Act.

**20.-**(1) The Minister shall publish in the *Gazette* a notice setting out particulars relating to every statutory maximum salary fixed or approved or determined by him under section 19 and shall include in those particulars a description of the category of medical practitioners to whom the statutory maximum salary is applicable.

Enforcement  
of  
statutory  
maximum  
salaries

(2) Every statutory maximum salary published in the *Gazette*-

- (a) shall not be liable to be challenged, reviewed or questioned in any court on any ground;
- (b) shall be binding on the employers or approved organizations and medical practitioners to whom it relates; notwithstanding any provision to the contrary in any written law, contract, agreement or any other arrangement;
- (c) shall be an implied term of the contract, agreement or other arrangement between the employers or approved organizations and medical practitioners to whom it relates, and the conditions of service to be observed under the contract, agreement or arrangement shall be in accordance with the statutory maximum salary so published until varied by a subsequent notice published in the *Gazette*.

(3) Except with the permission of the Minister, no application shall be made under section 19 (4) to vary any statutory maximum salary published in the *Gazette* within twelve months of the date of its coming into force.

Records of salaries to be kept

21. Every approved organization responsible for the management of any private hospital shall keep records relating to salaries paid to medical practitioners employed at the hospital and shall preserve all those records for a period of two years or such longer period as may be prescribed by regulations made under this Act.

Agreements designed to evade this Act

22. On or after the enactment of this Act it shall be unlawful for any employer or organization to alter, vary or amend (whether or not with the consent of the medical practitioner) any term, of any contract, agreement or arrangement with the medical practitioner which is designed to defeat or modify the provisions of this Act in relation to the salary payable to the medical practitioner
